

## **Madonna University – Post-Master’s Certificate in Emergency Management Leadership**

Madonna University offers a Post-Master’s Certificate in Emergency Management Leadership. The program emphasizes professional and managerial leadership and the development of human resources within the framework of social and environmental constraints which ultimately affect human behavior and performance in the work setting. The content of the program is designed to provide the student with the following competencies:

- Demonstrate specialized knowledge, skills, and attitudes necessary for professional and effective performance as a leader in a managerial role in emergency management.
- Interpret the role of human behavior in the EM organizational environment.
- Integrate professional ethics and social responsibility.
- Apply problem solving for effective decision making.
- Recognize societal and environmental issues and analyze their collective impact on human behavior, especially on the manager.
- Apply theory and skills needed to perform useful research within a professional environment.
- Demonstrate a commitment to pursue lifelong learning for professional growth.
