Cleveland State University, Levin College of Urban Affairs, Public Safety Management Program

Enter a Brief Program Description:

The Public Safety Management major is designed to equip public safety officials with additional management and communication skills to address the needs of their urban constituents. It provides an in-depth study of community safety needs and problems, as well as analytical tools for addressing injustice for those living and working in urban settings.

The Public Safety Management Major is designed to:

*Prepare both pre-career and active public safety personnel for leadership roles in public safety organizations.

*Allow for in-depth study of community safety needs and introduce analytical tools for developing response strategies for use in emergency situations.

*Promote understanding of policy tools to protect the safety and well-being of our communities.

Concentrations are offered in:

*Fire and Emergency Services Administration

*Management

Enter List of Required Courses and Number of Credits Required to Complete the Program:
