

Eastern Kentucky University - Master of Science in Safety, Security and Emergency Management

Eastern Kentucky University's Master's of Science Degree in Safety, Security and Emergency Management is a multi-disciplinary degree designed to provide students with a broad background in the field with the opportunity to customize their curriculum through a Multidisciplinary Track or choose a concentration to gain in-depth knowledge in a specific subject area such as:

- Homeland Security
- School Safety
- Occupational Safety
- Fire and Emergency Services
- Emergency Management

The graduate degree is located in the College of Justice & Safety, which also offers degree programs in fire protection & safety engineering technology, fire protection administration, fire, arson and explosion investigation, emergency medical care, occupational safety, police studies, criminal justice, and social justice.

As part of the Masters in Safety, Security and Emergency Management program, the HLS program offers three graduate certificates / concentrations:

- Homeland Security
- Emergency Management
- Intelligence and National Security

The MS in SSEM is offered 100% online. The audience for the program includes recent college graduates, military personnel, and non-traditional students looking for career enhancement or new career opportunities.
