FEMA

Emergency Management Institute/Independent Study Program

General Information

The Emergency Management Institute's (EMI) Curriculum Standards and Instructional Technology Branch provides the Independent Study Program (ISP). This is a distance learning program which offers training, online and free of charge, to the nation's emergency management network and the general public.

It serves as both an alternative means to deliver valuable training to the professional and volunteer emergency management community as well as an opportunity to improve public awareness and promote disaster preparedness nationally.

The Independent Study Program currently offers over 200 training courses via our training website: <https://training.fema.gov/is/>

In Addition...

A student portal was developed and released in July 2022 where students can access their training records online. Completion documents can be viewed and printed from this portal:

<https://training.fema.gov/student/sssp.aspx>

Students are able to obtain continuing education units for all ISP courses. Students can also request an Official Transcript to be sent to a college or university for the purposes of accreditation. The program also offers a customer support center to assist students. The customer support center can be reached through email at Independent.Study@fema.dhs.gov or telephone at 301-447-1200. The hours of operation are Monday through Friday, 8:00am–4:30pm EST.

How to get started

The fastest way to begin taking courses is to visit our website. You can learn about each course, download materials, and take courses interactively.

Just follow these easy steps:

1. **Obtain a FEMA SID number at:**
<https://cdp.dhs.gov/femasid>
2. **Go to our website:**
<https://training.fema.gov/is/>
3. **Click on ISP Course List**
4. **Select your course of interest**

Once you have studied the training material, you can submit your final exam, all from the convenience of your home or office.

Upon successful exam completion, you can access the EMI Student Portal where you can view, download, and print your electronic certificate(s).
