NATIONAL EMERGENCY TRAINING CENTER (NETC) CAMPUS ACCESS – REAL ID ACT STANDARDS

Does your ID meet the Real ID Act standards? Anyone entering the National Emergency Training Center (NETC) campus is required to show valid photo identification that meets [REAL ID Act standards](https://www.dhs.gov/real-id/real-id-frequently-asked-questions): <https://www.dhs.gov/real-id/real-id-frequently-asked-questions>. The purpose of the REAL ID Act is to stop terrorists from evading detection by using false identification. [Check to see if your state is compliant](https://www.dhs.gov/current-status-states-territories) at <https://www.dhs.gov/current-status-states-territories>.

If your driver's license does not meet the requirements of the REAL ID Act, you will need to bring one of the following acceptable forms of identification:

- A valid U.S. passport or passport card
- A valid Federal employee, military, or veteran ID card
- A valid state-enhanced driver's license (Contact your state's motor vehicle department for availability.)

Students from non-compliant states (a regular driver's license from these states will not be accepted) who do not possess any acceptable form of identification may request a National Crime Information Center (NCIC) check from the NETC Security Office. Note: This is a one-time NCIC check. A successful NCIC check is valid for 180 days; within the 180-day timeframe, a student is expected to obtain a compliant form of identification.

Submit the following information to Jason.Cawthon@fema.dhs.gov in a password-protected document at least 3 weeks before your class:

- Your full name
- Date and place of birth
- Social Security Number

Students arriving at the NETC campus without a compliant ID or a successful NCIC criminal history check will be sent home at their own expense without receiving a stipend reimbursement.

Questions related to NETC campus access identification should be directed to Jason.Cawthon@fema.dhs.gov or 301-447-1513.
