

K0202 Debris Management Planning for State, Tribal, Territorial, and Local Officials

Course Dates:

March 28–31, 2022

Course Length:

This course is 4 days in length, daily from 8 a.m.–2 p.m. PT.

Location:

This course will be delivered as a facilitated, distance learning training event using Adobe Connect sessions.

Course Description:

This course will better prepare participants to fully plan for, respond to, and recover from major debris-generating events.

Prerequisites:

None

Continuing Education Units (CEUs):

EMI awards 2.4 CEUs for completion of this course.

Target Audience:

This course is designed for State, Tribal, Territorial, and local officials who are responsible for planning, managing, and/or implementing debris removal and disposal activities for all types of disasters. Preference for this offering will be those applicants in the Pacific and Mountain time zones.

To Apply:

Scan the QR Code or click the link for information on how to apply for EMI courses.

<https://training.fema.gov/onlineadmissions/>

Registration Supervisor Approval:

The Application Endorsement Screen requires the input of a supervisory email address.

How do I obtain my FEMA SID number?

To register, go to [Student Identification System](#). This link can also be accessed at the following address: <https://cdp.dhs.gov/femasid>. Click on the “Register for a FEMA SID” button on screen. Follow the instructions and provide the necessary information to create your account. You will receive an email with your SID number. You should save this number in a secure location.

EMI Training Point of Contact:

For additional information, email Martin DiGregory at martin.digregory@fema.dhs.gov or call 301-447-1203.
