### Course Description:

The EOC Skillset courses assist individuals and jurisdictions who desire to develop or improve their Emergency Operation Centers (EOC). By the end of the course, students will be able to demonstrate, through activities and a Final Exam, the skillset roles of the modern-day EOC.

Courses focus on actions and products produced in an EOC before, during, and after an event.

### Prerequisites:

These courses are each stand alone. The single prerequisite for any of the courses is the IS-2200, Basic EOC Functions.

### Continuing Education Units (CEUs):

EMI awards 2.2 CEUs for completion of this course.
